

Could your family members maintain their lifestyle without you?

Unum's whole life insurance can help.

Make your mark on their future.

Joan has worked hard to provide for her family. If something should happen to her, she wants to make sure they can maintain their quality of life and reach their life goals.

Even if you have basic term life coverage, you may want additional protection. Now, you can buy whole life insurance at an affordable fixed premium, guaranteed for life. It is offered to all eligible employees, ages 15-80, who are actively at work.

Four features that add value

- 1. Cash value** — Accumulates at a rate of 4.5%.* Over time you can borrow from the cash value or use it to buy a reduced policy with no more premiums due.
- 2. No physical exam** — During your initial enrollment, you can get this insurance up to a specified amount without a health exam. You may be asked a few health questions.
- 3. You own the policy** — The payment is deducted from your paycheck and coverage becomes effective the first day of the month. You can keep the policy even if you leave or retire; Unum will bill you directly for the same premium amount.
- 4. Living Benefit Option Rider** — You can request an advance, up to 100% of the benefit amount (\$150,000 maximum), if diagnosed with a terminal illness limiting life expectancy to 12 months or less.†
