WHAT WE'RE LOOKING FOR

We're building a team of students who are passionate about helping their classmates succeed at Berry and beyond. You don't have to know all of the ins-and-outs of resumes or interviewing to join our team - we'll train you on the career development content. What you do need are strong interpersonal communication skills, an ability to manage multiple projects at a time, an eye for details, and a willingness to learn.

WHAT YOU'LL BE DOING

All Career Peers support the CPPD by providing individual resume reviews and hosting monthly events. You'll have additional responsibilities specific to your team, too.

- **The Advanced Appointment Team** provides specialized individual career consultations like mock interviews, graduate school prep.
- **The Presentation Team** delivers educational presentations and workshops to a variety of classes and campus groups.
